### Coming in January 2022

Drafting and publishing a research paper can be a complicated process. Campus is a collection of courses that simplifies it. These 10 courses, created and reviewed by experts in each topic and delivered through an engaging format, guide researchers through the entire process, helping achieve publication success and maximize impact for their research. Primarily designed for early-career researchers, the courses will also benefit experienced team members ready to update their skills. Have a sneak peak of what's on offer:

- > 01. How to Conduct Ethically Sound Research**  
After this course, students will be able to list the main ethical concerns in scientific writing and take appropriate steps to ensure their research is ethically sound. It can be purchased as an individual course or as part of the Campus bundle.
- > 02. How to Avoid Your Paper Being Rejected**  
At the end of this course students will be able to outline the journey a paper takes to becoming a published article; describe the most common reasons for rejection or revision; identify solutions to avoid their paper being rejected.
- > 03. How to Write a Compelling Case Report**  
After this course, students will be able to decide whether to publish a paper takes to becoming a patient case, choose a journal, write clearly & ethically, and outline common reasons for rejection. It can be purchased as an individual course or as part of the Campus bundle.
- > 04. How to Write a Clinical Research Paper**  
Release Date: December 2021
- > 05. How To Review a Clinical Research Paper**  
Release Date: December 2021
- > 06. How to Choose a Target Journal**  
Release Date: December 2021.

Access to all Campus courses on dashboard

# Step 2

The screenshot shows the Karger Courses dashboard. At the top left, the logo 'Karger Courses' is displayed. Below it are navigation links for 'ALL COURSES' and 'EVENT CALENDAR'. A search bar on the right contains the text 'What are you looking for?'. The main header area includes a breadcrumb trail 'COURSES > ACCOUNT > DASHBOARD' and a 'EDUCATION' icon. The central title 'Dashboard' is underlined. A dropdown menu on the left is set to 'All'. The dashboard features a grid of ten course cards, each with a 'COMING SOON' badge, a progress bar at 0%, and links for 'See Overview' and 'Start Course'. The courses listed are:

- > 01. How to Conduct Ethically Sound Research
- > Campus Webinars
- > 10. How to Get Your Paper Noticed Following Publication
- > 09. How to Decide on Preprints and Open Access Licence
- > 08. How to Write a Systematic Review Paper
- > 07. How to Review a Systematic Review Paper
- > 06. How to Choose a Target Journal
- > 05. How To Review a Clinical Research Paper
- > 04. How to Write a Clinical Research Paper
- > 03. How to Write a Compelling Case Report

Click on the course you want to start

Access to all Campus courses on dashboard

# Step 2

The screenshot shows a course page with a dark green header. The header contains the word 'Courses' on the left, the Karger logo on the right, and a search bar with the text 'What are you looking for?'. Below the header, there are navigation links for 'OUR COURSES' and 'EVENT CALENDAR'. The main content area has a breadcrumb trail: 'COURSES > OUR COURSES > 01. HOW TO CONDUCT ETHICALLY SOUND RESEARCH'. Below this, there is a graduation cap icon and the word 'EDUCATION'. The course title '01. How to Conduct Ethically Sound Research' is prominently displayed. To the left of the title, it says 'This course is part of the bundle > Campus (English)'. On the right side of the course title, there is a yellow button labeled 'RESUME COURSE'. At the bottom right of the course title area, there is a language dropdown menu showing 'English'.

## About This Course

Drafting and publishing a manuscript can be a complicated process. Therefore, Karger has created Campus, a series of courses to simplify it. These 10 courses have been created and reviewed by experts in each topic. The courses are focused on helping researchers achieve publication success in an engaging and enjoyable manner.

This course will help students to write a case report for publication. It can be purchased as an individual course or as part of the [Campus bundle](#).

Purchases grant access to the course material for a period of 12 months.

## Learning objectives

At the end of this course, students will be able to:

- ✓ Understand what ethically sound research is
- ✓ Grasp the significance of why ethically sound research is important
- ✓ Foresee and avoid potential conflicts of interest

The price still appears after access is granted, but can be ignored. No charges will apply.

The screenshot shows a detailed view of the course. It features a photo of two women looking at a laptop. Below the photo, there are five stars for rating, with the text '0 (0)'. A list of content types is shown: Certificate, Multimedia, PDF, Text, Survey, and Quiz. Below this list, the price '\$29.00' is displayed. At the bottom of the panel, there is a yellow button labeled 'RESUME COURSE'. Arrows from the surrounding text point to these elements.

Click on 'resume course'.

Note: 'Resume' is indicated because you were automatically enrolled

If you have any log-in or access issues please [contact us](#) for assistance.
