

Karger eJournal Collection

Basic and clinical research topics across the entire medical spectrum

Backed by a 129-year tradition of medical publishing, the Karger journal program comprises 76 subscription journals (and 28 OA journals) to date, covering all disciplines of human medicine in clinical and research areas.

Your options:

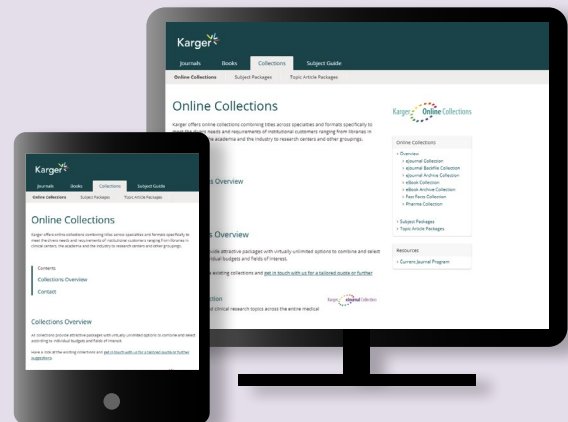

- Karger eJournal Collection: access to all online Karger journals – special arrangements for consortia
- Customized collections according to the needs of your library
- Subscriptions to individual journals: online, print, and combined print/online
- Mixed collections of eJournals and eBooks upon request

Please ask for a customized offer!

Your benefits:

- DRM-free content
- Guaranteed access for five years; perpetual access available (site license)
- Easy access via IP address or User ID and password
- Unlimited simultaneous access
- COUNTER-compliant statistics on request
- KBART records available

Free online trials available!
